6 Top Mingle

TBA

12:00 AM - 11:45 PM EST

This is a member's only event.

The DSBC 6-Top Mingle is designed to provide a valuable platform for networking with fellow small businesses. These events offer an intimate setting with a maximum of six participants per table, creating an ideal environment for meaningful conversations and building long-lasting connections.

At each 6-Top Mingle, you will have the opportunity to showcase your products and services, while also hearing from other like-minded professionals who are not in direct competition with you. The structure of these events allows each participant to speak for 10-15 minutes, ensuring that everyone has equal time to talk about their company and engage with the group.

The benefits of attending 6-Top Mingles go beyond the event itself. By forging relationships with other business people, you can establish a dynamic sales team that mutually promotes and supports each other's businesses. The connections made at these events can be invaluable for growing your network and expanding your reach in the business community.

Please note the following guidelines for attending the 6-Top Mingle events:

Only one person per company may attend the 6-Tops.

Restaurants may not be familiar with the term "6-Top," so kindly inform them that you are waiting for up to five other people.

We offer multiple time options for the 6-Top Mingles, including breakfast, lunch, and dinner gatherings. Members may choose to attend one event per month, either upstate or downstate.

Each group may select a "time-keeper" so that no one person should dominate the conversation and everyone should have equal time to speak

To ensure the success of these events, we kindly ask all attendees to be punctual and honor their commitment to attend. If you are running more than 15 minutes late or unable to attend, please contact the Chamber at 302-482-2120 as soon as possible. There is a \$10 fee for any member who is late or a no-show without prior contact, as we want to maintain the integrity and effectiveness of these networking opportunities.

6 Top Mingle

This is a member's only event.

The DSBC 6-Top Mingle is designed to provide a valuable platform for networking with fellow small businesses. These events offer an intimate setting with a maximum of six participants per table, creating an ideal environment for meaningful conversations and building long-lasting connections.

At each 6-Top Mingle, you will have the opportunity to showcase your products and services, while also hearing from other like-minded professionals who are not in direct competition with you. The structure of these events allows each participant to speak for 10-15 minutes, ensuring that everyone has equal time to talk about their company and engage with the group.

The benefits of attending 6-Top Mingles go beyond the event itself. By forging relationships with other business people, you can establish a dynamic sales team that mutually promotes and supports each other's businesses. The connections made at these events can be invaluable for growing your network and expanding your reach in the business community.

Please note the following guidelines for attending the 6-Top Mingle events:

Only one person per company may attend the 6-Tops.

Restaurants may not be familiar with the term "6-Top," so kindly inform them that you are waiting for up to five other people.

We offer multiple time options for the 6-Top Mingles, including breakfast, lunch, and dinner gatherings. Members may choose to attend one event per month, either upstate or downstate.

Each group may select a "time-keeper" so that no one person should dominate the conversation and everyone should have equal time to speak

To ensure the success of these events, we kindly ask all attendees to be punctual and honor their commitment to attend. If you are running more than 15 minutes late or unable to attend, please contact the Chamber at 302-482-2120 as soon as possible. Building Resilient Workplaces: The Power of Trauma-Informed Approaches for Small Business Success

Join the Delaware Small Business Chamber for an energizing and practical seminar presented by Embodied Counseling and Wellness.

This session will focus on the essential—but often overlooked—skills of work-life balance and self-care for small business owners, managers, and employees.

Running or working in a small business often means long hours, constant problem-solving, and little time to recharge. This seminar will explore simple, realistic strategies to manage stress, set healthy boundaries, prevent burnout, and cultivate everyday habits that support emotional well-being.

Participants will learn how to recognize signs of overwhelm, build resilience, and create a healthier balance between professional demands and personal life.

Whether you're leading a team or part of one, this seminar will offer tools you can immediately put into practice to support a more sustainable, grounded, and productive work environment.
